

Engaging Stakeholders Webinar Series

School Turnaround Learning Community

Session 3: Systemic Family Engagement

Karen L. Mapp, Ed.D.
Consultant, USDOE

Systemic Family and Community Engagement

- Focused on improving the core enterprise and is linked to learning and development
- Aligned and coherent with the overall whole school improvement goals
- Inclusive of various stakeholders in the community
- Integrated across the system and not “stand alone” or “boutique” projects
- Attempting to shift school structures and cultures to share power and resources with stakeholders, especially families.
